Dedication

Miss Neva Parker

Miss Parker has had a "Class of '57" homeroom for four years. She has given untiringly of her energy and unselfishly of her time leading our class along the road to graduation.

We are happy to dedicate this Anvil to Miss Neva Parker.

Dedication

Mr. Walter Seley

Mr. Seley has been one of the advisors who has conducted the "Class of '57" to its goal: graduation. He has led our class through many hard times and has helped us always to come out ahead.

It gives us great pleasure to dedicate this Anvil to Mr. Walter Seley.

Administration

Mr. Donald B. Hudson

Mr. Hudson is now a permanent fixture in the Union City School System and has been the key in making it one of the most progressive and productive in the county. As supervising principal both high school and grade school are under his direction.

Hi Neighbor!
D. B. Hudson

Mr. Russell Palmer

Russell Palmer

The other member of the Hudson-Palmer combination is Union City's own Mr. Russell Palmer. Mr. Palmer is very instrumental in keeping the high school running at peak efficiency in his role as High School Principal.

Senior Class Prophecy

Wouldn't it be fun to take a look into the future to see what has happened to our classmates? Let's take-say, ten years from now, 1967.

We find Ronnie Bowen in Hollywood, selling flowers to movie stars for their premiers. He's doing so well, that he found it necessary to employ Shirley Kliner and Shirley Weed as his secretaries. Incidentally, Sylvia Squire and Jill Bartholme are two of his favorite customers.

Among the farmers of our class, we find Tom McGuire, Harold Goodwill, and David Brooks, all doing very well. Harold and Dave are still here in Union City, but Tom is in Wisconsin, where he owns a large dairy farm, called "Tom's Haven".

Bob Rimpa not only became a mechanic, but has a whole string of garages across the U.S. His home office is in Union City, and Velma Clark is his private secretary. There is evidence of Velma's sitting on Bob's knee. This can be seen on the third finger of her left hand. Larry Miller manages one of Bob's garages in Erie.

The four Bennett's--Martha (Clark), Joan (Magee), and Levert and Lyman--are now living on the outskirts of Los Angeles, California. It seems they have all fulfilled their first ambition, and are working to fulfill the second one.

Have you seen Bud Chesley on Championship Bowling? He's becoming very well known across the nation, and has hired Dick Barnes as his manager. What a pair!

Also included in professional sports from our class are Bob Palmer and Bill McLain. Bob is now coach of Corry High School--in Corry, Pennsylvania, and Bill is climbing higher and higher in the world of baseball. It seems, in fact, that he's following close in the footsteps of Lou Gehrig and Babe Ruth, only he's playing for the Cleveland Indians.

Wanda Musiek has started a hospital for animals, to take the place of her nursing. One of her patients, a trained seal form Gary Bidwell's circus, became so attached to her, that she had to keep him. She hired Nancy Lasher as his governess.

If you were to visit either Dorothea (Heggan) Sutter or Janice Byerly, you would probably come away feeling very contented. They are the housewives of the class, and each has a very wonderful family. They couldn't ask for anything better, could they?

Have you heard the latest on John Abraham? John is a notorious racketeer, but also a very smart one. They couldn't catch up with him, until they found out he hadn't paid his back taxes. Poor John. He'll never get out of this one with Bruce Smith as his prosecuting attorney.

This page sponsored by H. L. MUSSER

Senior Class Prophecy

Carole Malec didn't exactly fulfill her ambition to be a medical secretary, but she did come close. She is secretary to Karl Boyer, who is now the best veterinarian in this area.

Poor Janet Sexton lost out, all because of Janet Smith's ambition to be a doctor's wife. Janet Smith married Roger Hordusky, Janet Sexton's boyfriend, while Janet Sexton had to settle for being his nurse.

Isn't it a coincidence that Gladys Parker, who wanted to marry a coach, finally hooked Jack Magee, who is a coach; and that Noreen Hanlin, who wanted to wee the world, ended up marrying Lavern Hurlburt, now coach at Notre Dame University, and took a tour of the world for their honeymoon?

Pat Palmer and Sally Lupton now have charge of Ding Dong School for children. Good luck girls! We hope you can improve it.

When you're out driving, watch out for Bill Thomas. He's a handsome hunk of man in that state trooper's uniform. Also, watch out for Russ Campbell and Earl Magee. They're truck drivers--often seen!

Talk about world travelers. Between Robert Fellows (Marines), Jim Layden (Air Force), and Richard Rodgers (Army), they should have covered the world pretty well. Quite a few times. They've all made a career of the armed forces, and are really getting around.

That arm-strong heater worn out? Call on Ken Pierce. Ken's known for fast, dependable service, before and after he sells you a furnace. And, as a result, business is booming.

Have you heard of "Mar-Be-Ca Beauty Shoppes"? If you get a chance, be sure to visit one. They're found all over the eastern part of the country, and are owned by Martha Alford, Beverly (Roberts) Young, and Carol (Laughery) Wolstrum.

Carl Sabol has constructed an observation tower at the North Pole for Jon Thorne and Richard Riggs, where they will be carrying on extensive research of the Northern Lights. We hope you won't get cold, boys!

Maxine Watts and Sandra Rowland have a booming business figuring out people's income tax. (Legally, of course.) They figure they couldn't ask for a better job, as it pays well, and they only have to work once a year.

Lettiejean Rupp and Mary Vanderpool have formed an organization, "Secretaries Inc.", in an effort to get jobs for all secretaries out of work. It's coming along fine, and has gained quite a few members from our class. Alice Burger, Dorothy Sutter, and Martha Courtright, Bonnie Fitzgerald, and Shirley MacElhaney are members who are just going back to work after a few years years of married life. They say they need a rest from the drudgery!

As yet we haven't been able to locate the last three of our class members. We do know that Mildred Frontera is a minister, and travels a lot, so perhaps that is why we haven't been able to locate her. As for John Zielinski and Jim Smith, I'm sure they're doing very well, whatever their jobs may be, aren't you?

The magazine sale was a big success; the sales went over $2500. Pens and certificates were awarded to the high salesmen with Janice Klus leading the list.

On November 16 the Turkey Trot was held. It was another big success. Door prizes and a turkey were given away at different times during the evening.

The class rings were ordered in October and arrived in the middle of February.

The High School Daze, a memory book, was sold. Oh! What Memories!

We also had another dance around Valentine's Day.

The Junior Class had a very successful year.

The Sophomore Class sold candy for one of its two projects. We made $250 as our share of the money we took in. Our candy sale started two weeks before Christmas and we had to order more candy because the demand was so great. Our second project was a record hop after the North East basketball game on January 25. This money will be used to finance our class during our high school days at Union City.

This year was the first for our class in the high school building. We were a little confused at first, but after a few weeks we got on to being considered a part of the school. We enjoyed the classes and the mingling with the older students as we went through the halls to our rooms. Most of us liked the assemblies on Fridays--even though we had to sit at the back of the auditorium. Maybe some day in the future we can sit where the Seniors do now. Let's hope so!

The Union City Chapter of the State and National Future Homemaker's of America was made up of about 70 members this year. We are affiliated with the new County Council with regular representatives. Chairmen are appointed each month to select a committee and plan three activities--service, money-making, and social.

The first project of the year was the Regional Meeting at Oil City. Some of the other activities sponsored by the Chapter were a Christmas Party, Formal Initiation, Skating Party, and a May Dance. Four members attended the State Farm Show at Harrisburg in January. They were: Gayle Geer, Yetive Marie King, Dixie Reynolds, and Sandra Lyons. Throughout the year we prepared and served many lunches, snacks, and dinners for the faculty, the school board, and other groups.

Adviser: Mr. Menoher.

At the first of the year we entered our project books in the Wattsburg Fair project contest. Several of our boys won, and Union City placed first in the county.

In October we had the initiation for the Green Hand Members. Those being initiated were: A. Smrcka, J. McGuire, D. Troyer, J. Goskiewcz, B. Beezub, C. Pollack.

We had two boys receive the Keystone Metal, the second highest degree in the FFA. These boys were H. Goodwill and D. Brooks.

A. Magee, L. Barstow, B. VanEpps, D. Brooks, T. McGuire, J. Matava, F. Maleski, H. Goodwill, F. Fox, J. Hanlin, and C. Rockwood attended the "Farm Show" at Harrisburg this year.

L. Barstow, a member of our club, was elected president of the Erie County FFA. He was also an official delegate at the State FFA meeting in Harrisburg.

The FFA participated in three television shows over W.I.C.U.

We also took numerous educational field trips to round out our year of activities.

This year the Latin Club held a skatingparty in October as one of its projects to pay for the picture in the yearbook.

On Saturday, February 23, we went to the Planetarium in Pittsburgh to see the sky show "Let's Go To Rome" and the Latin exhibits. Eileen Sanden made a statue of Atlas holding the world on his shoulders for the Latin exhibit.

We also had a Roman banquet attended by Latin I and II students. The Latin I students acted as slaves, served the Latin II students, and furnished entertainment. As in Rome, everyone wore togas.

To finish off our work for the year, we had our annual picnic and later the same evening a skating party.

The purpose of the Student Council is to develop and promote qualities such as leadership and school spirit. It is also designed to help the students with their problems and to give them a better understanding of themselves in relation to the school and to the teachers.

Some of the various duties of the Student Council are: cafeteria duty, hall monitor, conducting assembly exercises, and sponsoring fund drives for different organizations. Another one of its functions is to conduct a student court to deal with problems relating to the students.

The main goal of the Student Council this year is to raise money for the school to sponsor a Foreign Exchange Student for a year at Union City High School.

Library Assistants

The library assistants are volunteer workers who are interested in helping the librarian. They have experience in shelf reading, charging in and out books, assisting other students in reference work and in general liberary work. During the year they had a dinner and attended one of the basketball games as a group. Each assistant is definitely responsible for one phase of the library e. g. magazines, vocational file, pamphlet file, college catalogs, bulletin board, card catalog, inventory, reading shelves, daily report, passes, etc.

The Hi-Y is sponsored by the YMCA. Its aims and purposes are therefore based on the ideals of sportsmanship and clean living.

As a club, the Union City chapter tries to foster these ideals through activities which it feels will develop social leadership in the members. At present the club has fourteen members.

The activities of the year were as follows: a dance in November, an assembly program in February, the Hi-Y Invitational Basketball Tournament at Meadville, and semi-monthly social and business meetings. The proceeds from the assembly were contributed to the Foreign Exchange Student Program. At the end of the year we sent delegates to the Hi-Y Older Boys Conference.

The Union City Tri-Hi-Y is an organization composed of girls in the senior high school. It is sponsored by the YWCA, and is under the direction of Mrs. Daniel. The girls learn the ideals of good living, good manners, and good sportsmanship relating to their place in school and in life.

This year the organization provided a turkey dinner for a needy family in the community. It was a very worthwhile project and one in which everyone gained a lot of satisfaction. Each girl in the group furnished some type of food and the group as a whole bought the turkey. We are sure that we made one family happy!

The Junior Hi-Y is a club organization for the junior high school boys. It is sponsored by the YMCA. Like the Hi-Y, its purpose is to promote good sportsmenship and clean living.

The Junior Hi-Y's activities for the year included selling pop corn for the football games, playing basketball on Saturdays, a skating party held in the spring and numerous field trips and hikes. All of the events this year were very successful, and we feel that we have fullfilled our purpose for the year.

Many of our members plan to join the Hi-Y club on reaching senior high school. We should like to welcome any new members who are interested in joining the Junior Hi-Y.

The purpose of the Union City High School FTA is exploratory, prevocational, and character-forming--to help Future Teachers learn facts about and opportunities in teaching in their locality, the state, and in the nation; cultivate character qualities essential to a good teacher; study lives of great teachers; and develop student leadership. Young people who decide to be teachers with a full knowledge of its opportunities and requirements are more likely to make good teachers than those who merely drift into the profession by accident.

The activities of the FTA in the Union City High School center mainly around student-teaching in the elementary and the high school classes. This acquaints them with the type of work which they will be doing as teachers, and also gives them an insight into the problems and the satisfaction which may arise from the teaching profession.

The "U" Clan is one of our newest clubs. It is made up of those boys who have won a letter in a varsity sport. At the present we have approximately twenty-five members.

The purpose of the club is to develop good sportsmanship and leadership in both student athletics and our daily lives. Our activities during the year included the annual initiation, the November hayride, and the Alumni-Varsity basketball game. We also sponsored a "Sports Queen" contest made up of contestants from among the senior girls. This year it was won by Maxine Watts, and she was crowned in a ceremony following the Wesleyville basketball game.

The 1956-57 school year was both a busy and a successful one for the Senior Chorus. During the fall, tryouts for the chorus were held and the section leaders were elected. Practice for the Christmas program began in earnest immediately following the choosing of members, and extended up until the curtain rose at the Christmas assembly ---but it was worth it! Those who sang and those who heard the program agreed that it was fine undertaking.

In January, six of our members were sent to the District Chorus in Cochranton. The members attending were: Jill Bartholme, Judy Megat, Ellen Alexander, Kark Boyer, Jerry Litherland, and Larry Lyman. Our activities during the remainder of the school year included a 15 minute radio program in Erie for the Tuberculosis Association, the annual Spring Concert in May, and the graduation exercises.

The Union City Joint High School Junior Band was formed two years ago and is now under the direction of Mr. Richard P. Thompson. It is composed of members of the junior high school. Its purpose is to provide experience for those members in the band so that upon reaching senior high school, they may be eligible for entrance into the senior band.

In November, the band played a concert for the Music Parents Association. It also took part in the annual Spring Concert held in May. Individual members are called upon at various times to take part in school activities, thus affording them needed experience in playing before groups.

The Junior Band provides valuable experience for any student to further educate himself in the field of music, for it provides the fundamentals of skill and instrumentation needed for a vocation in music, or for a worthwhile and interesting past-time.

The Dance Band is one of the new stars in the galaxy which we at Union City High know as the Music Department. It is headed by Mr. Thompson and has been incorporated into the activities of the school. Its purpose is to provide entertainment at school functions and to provide music for any event sponsored by the classes. Although, at this writing, the Dance Band has not had the chance to fulfill its purpose, we feel that it will uphold the reputation of the Music Department when that time comes.

The Union City High School's football team this year was one that gave everyone the full price of the admission that they paid to the games -- in thrills, in excitement, and in posting the best record of any other team during the last three years. Although the final record was four wins to five losses, the scores could not ever indicate the kind of games played nor the spirit shown by the players. It will only be recorded in the minds and hearts of the loyal spectators and of the boys who participated in the games during the year. The coaches especially deserve a special niche in Union City's sports record for the year. Theirs is in many cases a thankless job, but in this one, we offer our thanks for the excellent work which they have done.

Coach Osborne

For the second straight time, the Union City wrestling team posted a better than average record for the year. Winning six and losing only one, the team compiled a total of 234 points to the opponents 64. This was the best record in the three years that Union City has had a wrestling team. In addition to such an exceptional season, the team took second place to McDowell in the County championships with Wellmon, Chesley, Bowes, and J. McGuire each winning a berth. Bowes later successfully emerged from the County City matches as Union's only candidate for District honors. For such a season as this, we feel justified in giving both team and coach our heartiest thanks for a job extremely well done.

One of our popular spring-time sports is Track. It is the only school sport that encourages getting rid of "spring fever" which afflicts all of us. Our Track team this year was composed of members of all the classes in the school and has proved to be the source of much of our after-school entertainment. The team had a 1-2-1 record, but furnished the county with two milers in the forms of John Barnes and Val Kuczaj. Both placed on the All-County Track Team, taking first and second places respectively.
